[India - Labour Codes: A New Era of Worker Protection](#)

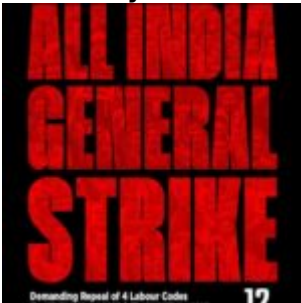

March 22, 2026

The Indian government has introduced a set of new labour codes that aim to simplify and modernize the country's labour laws. These codes are expected to provide better protection for workers and create a more flexible labour market. The new codes are a significant step towards achieving the government's goal of making India a global manufacturing hub. The new codes are expected to be implemented by the end of 2026.
