[South Asia's 'New South' - A New South? | The South Asian Journal of International Law](#)

September 24, 2025

Since 2022, a wave of movements that originated in Sri Lanka has spread across South Asia. In Bangladesh, the 'New South' movement has emerged, demanding the resignation of the incumbent government and the restoration of the 1972 Constitution. The movement has gained significant momentum, with large-scale protests and strikes across the country. The 'New South' movement is a response to the perceived repression and inequality under the current government. It is a call for democratic reforms and social justice. The movement has also inspired similar movements in other South Asian countries, such as Nepal and India. The 'New South' movement is a testament to the power of grassroots organizing and the desire for a better future.
